WELCOME TO WASHINGTON

REFLECTION OF COLOURS

We were all born transparent, desolate and henceforth undeveloped. Today each of us has evolved into our own colour.

Some a disciplined blue, a vivacious red, a stately purple, or a potent mixture of them all. No matter what colour or shade, they all shine under the sun and today the sun shines.

Its light stretches far back to the days of our lighter shades.

If we take the time to look we can see those who nourished our colours, and because of them we shine a little brighter.

Thus, we say "Thank You." Thank you for instilling
the light that shines within us,
and for making each of us our very own colour

WOMEN'S SOCCER

Record: 4-8-1

Head Coach Hugo Pierre had his share of struggles last year with the Women's Soccer team as they finished 4-8-1 on the season. However, brighter days seem to be around the corner for the Lady Deacons in that they lost just one player to graduation and the remainder of the squad will be intact for the 1997 campaign. In these times when graduation can decimate team chemistry, Coach Pierre feels fortunate because Bloomfield College will field an identical side next season. He hopes that this opportunity the Ladies have to gel with one another will make them that much stronger an opponent next term.

MEN'S SOCCER

Record: 13-7

The 1996 season welcomed a new coaching staff and a cluster of freshmen to the Men's team as head coach Tom Rafferty and assistant coach Andy Dickson took over the reigns of the soccer program. Dickson, a former Bloomfield College graduate and soccer standout with the Deacons traveled to San Antonio, Texas to participate in the NAIA National Tournament in 1995.

The Deacons surged to a 7-0 start before leveling out and finishing 13-7. Although the team saw some ups and downs in the 1996 campaign, by season's end, Bloomfield College finished second in the conference and had four of their booters appointed to the CACC First Team All-Conference lineup. Patrick Thomas, Pablo Budna, Anotnio Di Fiore and Musa Manneh were chosen after a season long coaches poll. Thomas was the number one defender in the player pool while Budna was number two in the offensive category. Good luck to departing seniors Rob Connaghan, Antonio Di Fiore, Joe Montesinos, Sodje Edefetanure and Patrick Thomas. The truly professional veteran core will be missed and the leadership qualities they projected to the younger players will be aspired to.

WOMEN'S VOLLEYBALL

Record: 26-9

History was made at Bloomfield College last fall by these Lady Deacons as head coach Sheila Wooten orchestrated a marvelous season-long run with a very talented squad. The Ladies entered the Athletic Department record books by being the first Bloomfield College volleyball team to capture the coveted Conference crown. They also own the best volleyball record in school history with 26 wins, surpassing last year's total of 24.

The Women's Volleyball team also qualified for the NAIA Northeast Regional Championships, being - you guessed it - the first volleyball team in school history to make this prestigious tournament. With just two players gone from last year's lineup, Bloomfield College looks to be a formidable opponent yet again next season. Among the top performers for coach Wooten in 1996 was Teresa Dewera, the freshman standout who captured a slew of awards, including 1996 Freshman of the Year and 1996 Player of the Year.

WOMEN'S BASKETBALL

Record: 16-12

The Women's Basketball squad finished up at 16-12, a complete turnabout from last season's 12-16 record. "It was definitely a turnabout year," chuckled Coach Manfria after the Lady Deacon's season ended with a loss in the semi-finals of the CACC Tournament at Georgian Court College in Lakewood, New Jersey, bringing to a close the 16 win season.

After a lukewarm beginning to the year, the mid-season holiday furlough saw the lady hoopsters focus on improving game concentration, late game mistakes and foul shooting. They caught fire once the second half began and pieced together a five game winning streak during that time and in one 11 game stretch went 9-2.

Junior forward Olisa Small was honored at center court last season when she sank her 1,000th point for the maroon and gold during a game against Meger Evers College. President John Noonan was on hand to congratulate Small and award her a basketball and plaque commemorating her athletic accomplishment.

MEN'S BASKETBALL

Record: 11-8

The Bloomfield College Men's Basketball team concluded the 1996-97 season with an overall record of 11-18, finishing 2-8 against conference rivals. The highlights of the season for Coach Mike Mancion's hoopsters included placing second in two basketball invitational tournaments - the Elmira Challenge Pepsi-Cola Tip-Off Classic and the Dominican Invitational. The Deacons also boasted a home record of 7-4 and swept arch Bloomfield Avenue rival Caldwell College, the away win being the first road victory in two seasons.

Bloomfield's team captain, Kirk Kassebaum, turned in a solid season long effort posting 14 points and 6 rebounds per game. The cunning court commander worked his way to a 2nd Team All-conference nomination, leading the team with 52 steals and an 88% foul-line shooting average. Ishmael Burgess chipped in with 12 points and 5 rebounds per game and notched 26 steals in 12 outings. "The team worked very hard all season," reflected coach Mancino on the completed season. "I'm proud of them. They made it so it was a pleasure to come to work every day."

SOFTBALL

Record: 15-19

The Lady Deacons of the diamond placed fifth overall in the conference with a record of 15-19. Kris Innocent and Tracy Thompson represented Bloomfield College by being nominated to the All-Conference Team.

BASEBALL

Record: 17-16-1

The Deacons completed the season at 17-16-1 and placed a respectable 2nd in the Conference, runners-up to Dominican College. Dominican College, it should be noted, went on to the National Tournament representing our region. Bloomfield's first-baseman Michael Salvanto finished runner-up as the Player of the Year.
